New Roman Union Laws Action 1

Laws 1-5

1 **Falsely speaking against the state in a way that purposely pushes people away from our micronation**

-This could include Lying about provided programs in a negative tone to push people away.

-Speaking against the government in a non-truthful manner

-Spreading false propaganda against the government

This will result in an immediate removal of citizenship upon notice and/or trial by government

2 **Refusal Of Government Authority**

This could look like….

-Repeadly doing the opposite of what a government official tells you

-Willingly Refusing to comply with government demands like forms, etc

This will result in a trial or moderator punishment such as: Demotion from government, military, regional citizen to: Online Citizen/Member

3 **Failure to comply with server rules**

-Failure to comply with server rules in “#rules” channel in the discord server ex: Doxing

Doxing would be punished by deletion of messages and immediate ban however and removal of citizenship. Less harsh rules like “Rule 4” will result in 15 mute in the server and after 3 instances will result in ban and removal of citizenship

4 **Leaking Warplans or government documents**

-This is one of the most serious crimes here, if you are caught….. Immediate ban and removal of citizenship as well as alerting other micronations of your untrustworthyness

5 **Breaking a law in the country you live in the name of The New Roman Union**

If you are caught doing this you will be banned and removal of citizenship as well as being reported
